“ Met Robert, I called him Bob when the Hillis family moved to Whitehouse Fla. He and Richie were in school at Ribault HS and Bob was driving a silver Barracuda at the time. I lost touch with the family when I left for boot camp in 1968. I was so surprised when one day I see his face at a JSO rollcall. Bob was a good friend and Officer as we played out our future as Police Officers/Deputy Sheriffs in Jacksonville.

“ Joey, Christin and Jonathan, we are so very sorry for your loss. Mr. Hillis was one of kind. We were honored to have had him to our home. He always had a great joke and made everyone feel extremely happy. In this time of sadness, may we hold on to the memories of pure joy. I can see him at your wedding, so very proud of you and Christin. May you feel the love coming from us. Prayers for peace and comfort, always. We love you all! Jason, Carrie, Strickland and Frank.

“ We now are losing dear friends. My husband Dennis and I are SO very sorry to learn of Lamar's passing. We both were neighbors, classmates and friends many years ago. We all graduated from Ribault High School in Jacksonville. My heart is broken - Thank you for your friendship and your service to us thru JSO. My Dad and both brothers also were JSO officers. They would see him often. We all send our prayers and deepest sympathy to the family - especially his brother Rich - the memories we have will be in our hearts forever. God bless you all
