“ Sending sincere condolences and offering prayer for comfort, strength and peace to the family. I remember meeting Sibyl at Altamaha Elementary School. She and I were the only girls that played football with the boys and wanted to be on the team. Unfortunately, girls were not allowed to play on the team. We just played during recess. We actually were tough enough to TACKLE! We also played basketball together! Although we grew apart when we left Altamaha, I never forgot her friendliness, warm smile and gentleness. She will be sadly missed.
