“ Jack and I are so sad to hear of the death of our friend, Dale. We graduated with him in 1966 at ACHS. He was always such a sweet guy and he will be missed. Dale came to our high school reunion in 1998 and everyone was so happy to see him. He really enjoyed visiting so much. He was in smiles the whole time. So happy we got to spend this time with him. Over the years we had invited him to come to our reunions and up until this last one, he was unable to attend, so that was very special to all of us. Rest in Peace, our friend. We will hold all of the family in our prayers.

“ Dale was my special cousin and I will always remember the many road trips we took together to Wal-Mart, to book stores and to try out new restaurants. I will miss our long talks together. He always had many keen observations on circumstances and about life. I will miss you buddy. I love you!
