“ *Bonnie and Family: May the love and sympathy from your many friends soften your sorrow. Looking at his smile reminds me of his dad when he made me write 1,000 times the rhyme, "A diller, a dollar" just because I was late to Sunday School. Mr. C smiled even during punishment! I thought the world of Steve. God bless you all.*

“ *The Coleman, Garner and Jarrell families have been good friends for quite a long time. Steve and I loved to pick on each other with silly things. For example: When he turned 18, I mailed him a Sympathy card posted from another town (unsigned). He gave me a gag backseat driver's license. He was a special friend even sitting with me in my hospital room puking my head off! Not many would have done that! After he and Bonnie were married, we all played cards together. Time has a way of changing our lives and we drifted apart. I would still see Steve and his mustangs over at the carwash from my office window. Steve and David were my big brothers (mostly Steve ... David was older and didn't have time to bother with us!)
My deepest sympathies to each of you as you begin this journey. May God comfort each of you and give you peace and strength for the days ahead.*
