“ *Im so sorry for your loss. Id like to share some real hope with you. In Psalms 146:4 tells the condition of the dead. In Acts 24:15 and John 6:40 the Bible promises a resurrection of our loved ones back to earth. When Jesus resurrected Lazarus from the dead, he brought him back to earth. That was a foregleam of the future. In Psalms 37:11 29 says man will live forever on the earth in peace. That was Gods original purpose, for man to live forever in the garden of eden. Gods purpose hasnt changed. In Isaiah 45:18 says God created the earth to be inhabited. Thats why he gave his son to die for us, John 3:16, so we could have everlasting life on earth. In Revelation 21:4 says therell be no more pain or death. Since theres no pain or death in heaven, those are future conditions here on earth as God had intended. JW.org*
