“ So sorry , The last time I saw Tom in a local business, he reminded me of the motorcycle ride we all were on t by at I would not ride over the bridge going to Jekyll Island. He said Earl must have really love me. He would not have gone all the way around. He said he would just put Pat off and pick her up on way back. I knew he was just talking. Pat I know you will be lost without him. May God bless you all.
