“ *Mr. Tim and Mrs. Merle were a fine couple. I knew them from family ties and as photographers alike. They were kind, humorous, and always involved in several projects at once serving their community. May God comfort all of the family and many friends of Mr. Tim who are grieving his departure from this pilgrimage. We shall all gather at the beautiful river together some sweet day.*

“ *Neal and I loved Tim just as we did Merle. He always had a smile on his face and radiated that southern charm. He exuded warmth and love. It breaks my heart to know that he is no longer on this earth. Merle and Tim were among those I missed the most when we moved away and I will always cherish their love and friendship. We looked forward to Julia's birthday party because you could feel the love!*
