“ Michelle, I can only begin to imagine what you must be going through right now. My heart goes out to you. No words can make it better so I'll just say if you need anything and I can help you please don't hesitate to ask. I'm praying really hard for you in days that lay ahead for they will be the hardest and most guy wrenching you will ever have to indure. If I can make it even just a little easier for you to help you cope I'm here.
