“ *Violet was a dear friend to me. I was so sorry to learn of her passing, but I am comforted because she has earned her angel wings and is with our Saviour today. She always called me her other sister because we all grew up together in the Red Oak community. Growing up, she and the Deen family were some of our closest friends. I'm going to miss her. To Ricky, Rodney, Victor and family, I'm praying for you all at this time. With my deepest sympathy and love,
Esther*

“ My favorite memory of Ms. Violet was when she told me how sorry she felt for Houston when I would take him out of church to spank him. She said that she felt so sorry for that poor baby. She was such a sweetheart! My thoughts and prayers are with you all!
