“ *I am so very sorry to hear about Viviane's passing. I worked with her for many years at Hardee's when she first came there from Hazlehurst. She was always fair and treated her employees with respect but wasn't afraid to work just as hard beside them. I still remember her laugh. She was a great lady and will be just as greatly missed.*

“ Sad to learn of Vivian's passing and my condolences to the family. I grew up living next door to Vivian and her family. I recall what a great cook she was and a wonderful housekeeper - you could have eaten from her floors. I have lots of great memories from our younger years, she was compassionate and caring. Rest high on the mountain dear friend, you'll be missed!
