“ *Melanie and Family, We are so sorry about Hokie's death. Worse still we are not able to be at the funeral. My sister Opalene Mobley was killed in a horrible accident Friday and also Floyd's first cousin's husband passed away and his funeral is today. We loved Hokie. He was a fond friend and we always enjoyed his visits to the clerk's office. He and I could always dig up a lot of history in those old records! I know that he dearly loved his children. We are praying for you all. May God bless you always. Claudine & Floyd Hunter*

“ *My Deepest Condolences to Mr. Floyd's Family, he was in the same room as my brother Willie Hammond, at Effingham Cares in Springfield Ga, I have come to know and care deeply for Mr. Floyd, I will miss seeing that bright smile when I walked in the room, and he loved it when I called him Handsome, I sat by him Wednesday and rubbed his head, it broke my heart to see the look in his eyes, when I went there yesterday and my brother told me about Mr. Floyd, I didn't believe him I had to go look and I cried when I stepped in the room and seen it was real, I met his daughter a few times and we talked about Mr. Floyd, My Heart is with the family in this time of great sorrow, Fly High with the Angels Mr. Floyd*
