“ Rest in peace, Walter. We will all miss you so much. We all love you and the memories when we came to visit you in Georgia. We remember all the tricks you did when playing cards! The boys loved the rides on farm equipment and picking blueberries, melons and yummy watermelons. Until we meet again...hugs and kisses Grandpa Deen.Love you,From the Yankees up north

“ Over the years I spent alot of time with Ol' Walt as I call him. Walt is more than a friend to me, he is my family and I am missing him and will continue to miss him dearly for the remainder of my life. I have many great memories of Walt. The memories I have made with him are some of the best memories that had ever been made in my life. I will hold on to them and cherish them always. I love you Walt! Fly high until we meet again!
