“ To my very special brother, ,I cherish the memories we shared and I am so grateful for the time GOD allowed us by your bed side. I will miss you very much, but I will see you again in Heaven. I remember you driving in that red Beetle, taking me and Dot for a ride in it thru the woods, going fishing at Billy Woods pond and catching cat fish, allowing me to go along all the times you all moved. The first time I drove your Dodge truck, going with me to Atlanta to pick up Henry to fix, working on Mattie and Max. Looking out for you red Falcon while you were in the Army. . The day you told me that you thought you would go sky diving with me. In my heart foreverLOVE you sister Margaret
