“ I will remember all the many overnight visits with Janice and Kathy. Chris was just a lil' fellow then_ We had so much fun at church and during your own nightly devotion Cousin Folece would lead us in and we the children would all read a passage before our nightly bedtime prayers. I learned so much about the LORD in a time when I needed Him so much In my young life thanks to my grandmama and your loving family Mrs. Willene. I will always keep trying to make a cat-head biscuit as good as yours, but I doubt it will ever happen. I will see you again and it will be a joyful reunion for us all. I love you; until we meet again. \Train up a child in the way he [she] should go: and when he [she] is old
