“ Mr. Bill was my neighbor for almost 2 years.. he was a great neighbor. When I would get home from work I would always ask him how he was. I would ask him would he like me to check his mail. He would give me his key and would tell me if I didn't mind. And I told him I didn't mind then I would ask him mr. Bill how is he going to get in the apartment if I had the key? Because his house key was on it. He would laugh and would take the key back open his door and give me back they key. I'm going to miss him so very much as I do at this moment rest in peace my friend. Love u your neighbor. Apt 606
