“ I have fond memories of Mrs. Spikes. I wanted to tell you I am thinking of you during this time. I watched the video tribute of a life well lived. I hope I have a full life like she did and the relationship she had with her children and grandchildren. Tell Christopher I love him.

“ *Gary, Barbara, Alan, and Amy and all the grandchildren and great grandchildren, Please know our thoughts and prayers are with all of you. A mother's love is like no other. When she leaves you to go be with her Heavenly Father - it leaves an emptiness within. Let God's love and assurance that she dwells in a place of no tears or pain help to begin the healing. There hasn't been a day in over 11 years that I don't talk or share something with Mom. It gives me peace to do so. I know she hears me because I know the Lord hears me. May you turn to each other for support during this time of loss and forever more. Please know how much she was loved by so many.....including me. Love, Debbie*
